

St Lawrence Sunday School

Newsletter No 13 – February 2008

It may have been freezing outside on Saturday 2 February but that didn't stop some 19 children having a Fun Afternoon in the village hall with a nautical flavour! Divided into four groups children joined in a number of activities from making edible octopi and a yoghurt pot jellyfish to a model beach scene and cork catamarans. Other activities included parachute games, a pirate game (thank you, Beryl!) and helping with a large collage of a fish made from unwanted CD's.

Many thanks to all those who helped with the Fun Afternoon and made it such a success! Photos of the afternoon can be seen on the noticeboard in the church and can be ordered from Michael (Tel 761766) – just give him the numbers of the prints you want.

Come and help make posies for Mothering Sunday!

Come along to the church (meet in the vestry) on Saturday 1 March at 3.30pm if you would like to give a hand. Children and parents welcome!
